

Office for Sale to Torino Area: Centro Storico

176 sqm | Bathrooms: 2 | Rooms: 4

In the Citadel area, with a strategic and convenient location at Porta Susa station, we offer for sale an office in an early 20th century building protected by a concierge.

The property is located on the ground floor of a historic building, has an independent entrance which guarantees maximum privacy and comfort and has architectural barrier-free access.

Internally it measures approximately 176 m2 and is composed as follows: on the entrance floor, three large rooms and two bathrooms, in the basement two further rooms currently used as a meeting room.

In 2006, the building was the subject of a radical intervention which affected all the common areas: interior, facade and roof.

The heating system is autonomous and the presence of air conditioning allows you to maintain an ideal temperature at any time of the year.

Thanks to its central location and proximity to public transport and services, the office is easily accessible and convenient to all services.

The property lends itself, if necessary, to a change of intended use to residential.
