

Homestead for Sale to Chieri Area: Madonna Della Scala

518 sqm | Bathrooms: 3 | Bedrooms: 7 | Rooms: 9

Portion of an 18th century independent house with large private garden.

In a quiet setting surrounded by greenery, we offer for sale a portion of a period farmhouse, located in Strada del Passatempo, a few minutes from the center of Chieri.

The property, distributed on several levels, is composed on the ground floor of an entrance onto a large living room, a kitchen with direct access to the private garden, ideal for relaxing moments outdoors and a bathroom. On the first floor there are five spacious and bright bedrooms, overlooking the surrounding greenery and two bathrooms. On the second floor, partially attic and completely to be reviewed, we find two non-attic bedrooms and the remaining space to be divided to suit your needs. The property is in good general condition, although it requires customization and improvements in some parts to best enhance its potential. The private garden, full of charm, represents an exclusive space to enjoy the tranquility of the countryside without giving up nearby services. This solution is perfect for those looking for a residence with a historic flavor, in a private but not isolated context, with the possibility of adapting the spaces to your needs.

A charming Bordeaux cellar with infernotti completes the property. Presence of double internal staircases with the possibility of obtaining two units.

Possibility of purchasing the entire property.
